

Welcome to Northwoods Therapy Associates!

We are happy to share our profession with you and hope you enjoy your learning experience with us!

Please sign up on the calendar when you plan to be here. We only can accommodate one student at time, so please make sure you are committed to that time slot. Call to cancel if need be.

All students must be covered from shoulders to knees at all times (no see through clothing or shirts with straps less than 4 fingers wide are permitted at any time). When wearing leggings or skinny pants your shirt must cover your buttocks. Natural and artificial scents may become a distractions from a well-functioning workplace and are also subject to this policy.

When you arrive, sign in on your assigned sheet with your actual time in time and time out and who you spent a majority of your time with that day. This will allow you to track your total time here quite easily. You are welcome to a COPY of this when you are done observing here.

It is your responsibility to track your hours, including dates and times. Please let the physical therapist here know of your intentions to use them for a character reference, hours of observation verification or any other part of your PT school application. Please ask for that specific PT's email address as you will need that to use the automated hour's verification system. DO NOT use any Northwoods therapy email address found on our website as this is an unreliable way of contacting a specific PT. We look forward to hearing from you in the future and best wishes on your application. Please call and speak with that PT just prior to your application submittal so they are looking for that email. We can also refresh our memory of you and exactly what your application asks of us.

We try our best to remember each one of you, your help is appreciated.

Any questions, please ask.

Thank you,

Amy Kurtz PT, DPT
